## 4. IDLE OFF

# MESSAGING

To really make your communications plan effective, think about a simple message to share with your school community.

Here are some examples, but think about your own:

- ✓ IDLE OFF so your kids don't cough!
- ✓ Young lungs at work. IDLE OFF.
- ✓ Collect and protect your child. IDLE OFF

DON'T COUGH**

### Good to know!

There are a great range of free online graphic design tools you can use to create your signage, but make sure you've got permission from your teacher to use your school name or logo.
